

Another Must See Film

FILM: HAITI: THE UNTOLD STORY

Filmmaker Kevin Pina challenges the contemporary view of Haiti, revealing the hidden role of the international community in Haitian politics. This provocative and lively film takes the viewer into parts of Haiti where few Western journalists dare to tread and includes footage of human rights abuses, some which have been conducted by UN forces. Learn the side of Haiti coverage not seen in regular media.

Come see this extraordinary film and meet the filmmaker
